“RENEWAL” AT THE BEAU-RIVAGE PALACE

PRINTEMPS - ETE 2025

Located facing the Alps in an idyllic setting on the shores of Lake Geneva, the Beau-Rivage Palace offers you a blissful stay combining luxury and pampering.

Here, in this tranquil haven, you're invited to recharge your batteries and reconnect with life's pleasures.

AN ATMOSPHERE THAT EQUALS RELAXATION

Refreshed and reimagined by the legendary interior designer, Pierre-Yves Rochon, each room and suite is **a cocoon dedicated to the perfect night's sleep.** Luxurious bedding....a pillow menu to fulfil the needs of every sleeper...herbal teas to lull you into refreshing slumber. An ultimate treat? Regular guests receive **bed linens embroidered with their initials.**

Each morning, the lake - with its dazzling palette of colors, our ten-acre private park, and a vitamin-rich breakfast are an invitation to awaken the senses in **this iconic location**, a pioneer in the history of Swiss luxury hospitality.

GARDENS TO EXPERIENCE

On gentle slopes along Lake Geneva, our park is landscaped and designed as a series of living spaces: acres of gardens and trees with a golf driving range, tennis, paddle-ball, cycling, fitness center, swimming pools, and lakeside activities dedicated to relaxation and wellbeing.

Sports Coaching

Whether your goal is to stay in shape or improve your athletic performance, the Beau-Rivage Palace fitness center is based on an exclusive collaboration with J  r  my Peltier. Working out while stand-up paddleboarding on the lake...or in the gym or in the park...or creating a personalized training and nutrition program, it's all possible at the Beau-Rivage Palace.

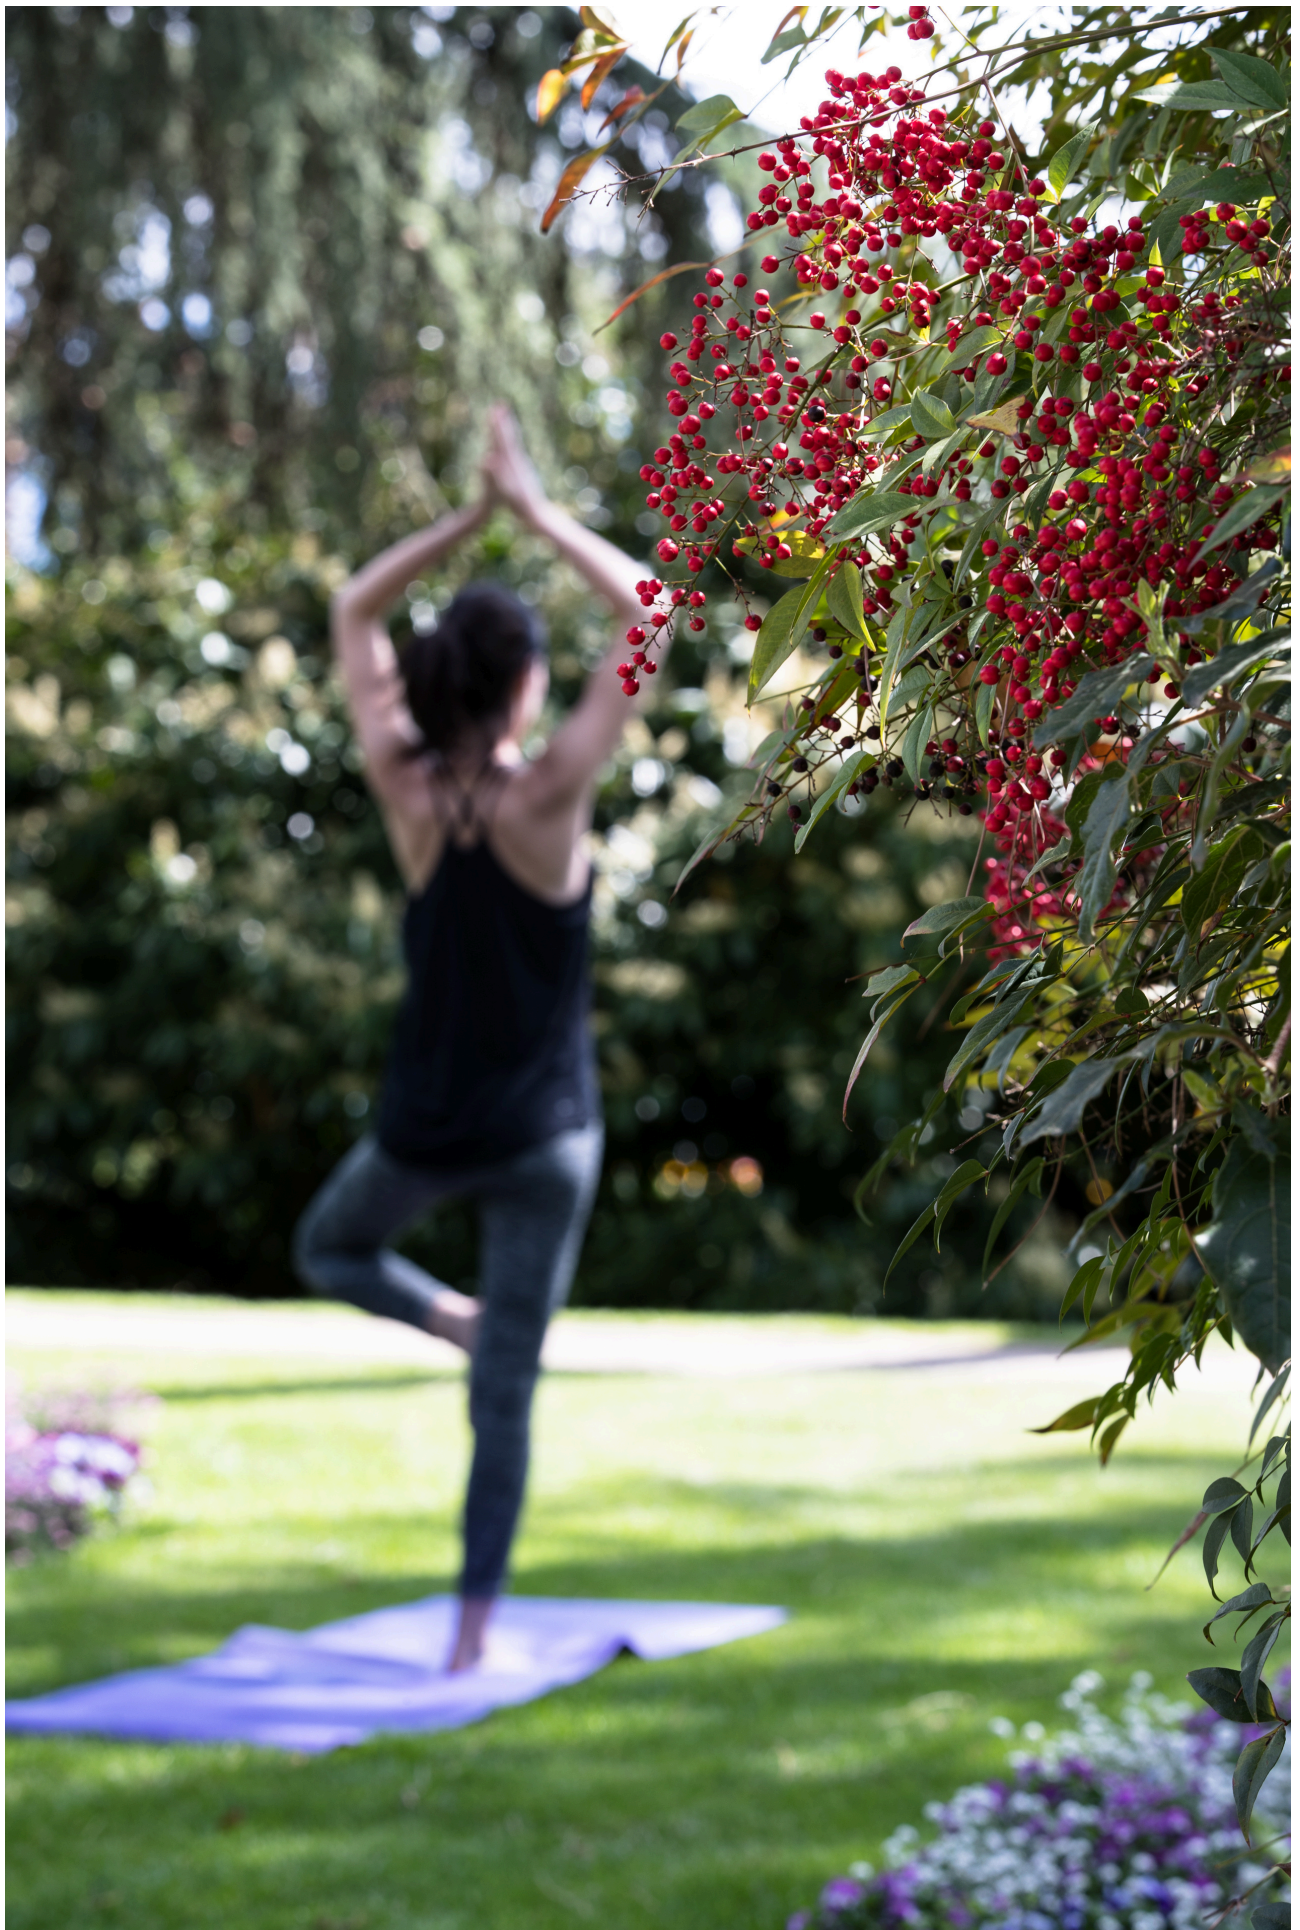

Yoga and more

A variety of sports classes is offered in an intimate area of the spa or beneath our centuries-old pine trees. This is a treasured opportunity to encounter a variety of types of yoga - from dynamic morning vinyasa, to relaxing evening yin, including hatha and ashtanga.

A multitude of outdoor activities

In our greener than green private park, discover a newly renovated tennis court, a golf driving range and putting green, and a paddle-ball court – all with magnificent views of Lake Geneva. More comfortable on the water? Stand-up paddleboarding and water sports on the lake are perfect for rejuvenating moments. A full range of equipment is available. Private lessons upon request..
