Ouchy :
Quai Jean-Pascal Delamuraz 1
1006 Lausanne 6

600 meters from the Beau-Rivage Palace
7 minutes walk

300 meters from the Château d'Ouchy
3 minutes walk

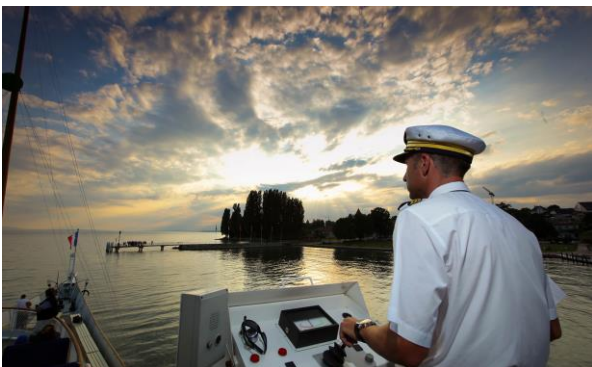

History

The Montreux is a « Belle-Epoque » ship, which departed for the first time on March 12th in 1904. Since that moment, visitors can enjoy an outstanding panorama of Lake Geneva and the Alps from the glass deck. The steam boat was restored and vaporised from 1998 to 2001. It is now the oldest boat of the Compagnie Général de Navigation and a floating museum.

Private cruise

May, June, September and October

The Montreux is a beautiful private space.
Cruises are tailored to your wishes depending on the route and the harbours you want to pass by.

Gourmet cruises

From June 19th until September 4th, 2017
