

BEAU-RIVAGE PALACE  
LAUSANNE SWITZERLAND

## THE LIBRARY

Located in the Palace wing of the hotel, this place offers you a warm and intimate atmosphere with a “British” touch and can be shared in two rooms : open and closed Library.

Decorated with a great woodwork and a green almond tone this area invites you to relax. With a magnificent view on the Geneva Lake, an access to the terrace and its chess-board, the open or closed Library can perfectly accommodate your private coffee breaks, cocktails, dinners and small meetings.
