KNOW-HOW & DARING

Guerlain opened its Institute and aesthetic training school in 1939. It has since trained all its Beauty Experts there, inspiring them to be ambassadors for Guerlain excellence. Throughout the world, these Experts carry out treatments requiring tremendous technical skills, such as the 19-minute facial treatment, which is considered as an industry standard. Spurred on by its pioneering and enterprising vision, Guerlain has been developing massage techniques that combine tradition and innovation for more than 80 years.

With its years of know-how and expertise, Guerlain ensures that every single treatment is an outstanding and personalised experience. Guerlain Beauty Experts perform Guerlain protocols with perfect skill, while being attentive to each individual. The diagnosis stage allows the Experts to adapt their movements and pressure to meet precise needs and expectations. For a unique and absolutely unforgettable experience...

AWAKEN THE SENSES

Rare orchids with outstanding longevity properties, healing bee products... Since it was founded, Guerlain has been inspired by nature, respectfully drawing on its sensoriality and effectiveness. This unique quest for perfection is echoed at every single Guerlain Spa. Inside each haven, complex rituals are performed

to the most exacting standards, the result of extensive development and research. So that every single Guerlain treatment, throughout the world, may be an unforgettable experience.
